

Activities at Home

Dear Parents,

The activity for week 8 beginning 10th May is:

“Snow White and the Seven Dwarfs”

The activity we will be covering involves:

- Listening and recalling the story of ‘Snow White and the Seven Dwarfs’
 - Talking about “Stranger danger”
 - Using tapping sticks
 - Taking part in an art activity- decorating a mirror
-

Our activity includes:

- Reading the story ‘Snow White and the Seven Dwarfs’
 - Retelling the story using story sequencing cards
 - Talking about and describing main characters and the story
 - Talking about “Stranger danger”. When Snow White accepts and eats the apple from the old woman, she has broken the rule for personal safety. We will talk about stranger danger and discuss what Snow White should have done.
 - The children will be invited to participate in “Hi ho melody” song and will be encouraged to use tapping sticks to complete simple actions.
 - The children will participate in art activity. They will decorate a mirror using various tools.
-

You might wish to help your child to explore this topic at home or when you are out and about. Please feel free to approach the teachers for further explanations.

Our suggested activities are:

- Encourage your child to look at the mirror and draw a self portrait
- Forest animals helped Snow White to find the house of the dwarfs. Look at some factual books about forest animals with your child.
- Make a house of the dwarfs from building blocks or junk modelling.
