

Activities at Home

Dear Parents,

The activity for week 4 beginning 28.09.20 is: Our
Amazing Five Senses

The activity we will be covering involves:

- Learning facts about our five senses
- Learning new vocabulary associated with this topic
- Singing a new song about our five senses
- Looking at the parts of our body where our senses are

Our activity includes:

- A small introduction to our five senses; describing each one by looking at pictures and learning how we use them all the time in our daily life.
- Encouraging the children to discuss any knowledge they have about the five senses.
- Singing a new song and reading the book "Our Five Senses" by Nuria Roca.
- Going to our garden on a nature trail using our senses as tools, exploring and learning. "Hear", to differentiate noises in the environment; look for small and big leaves using our "Sight"; "Touch," to distinguish soft and rough objects and while having a snack, "Taste and Smell" different fruits and vegetables. After, children will report back in small groups to discuss what they have seen, smelt, touched, tasted and heard.

Sing a Song of Senses

We use our tongues to taste.
We use our tongues to taste.
We taste the flavours in our food.
We use our tongues to taste.

We use our ears to hear.
We use our ears to hear.
We hear noises loud and soft.
We use our ears to hear.

We use our eyes to see.
We use our eyes to see.
We see colours all around.
We use our eyes to see.

We use our noses to smell.
We use our noses to smell.
We smell flowers and perfume.
We use our noses to smell.

We use our hands to touch.
We use our hands to touch.
We touch things both smooth and rough.
We use our hands to touch.

You might wish to help your child to explore this topic at home or when you are out and about. Please feel free to approach the teachers for further explanations.

Our suggested activities are:

Look at books related to the subject

Talk to your child about our five senses and how we use them

Play different games around the table using the senses.

Introduce your child to different fruit and vegetables and let them touch, smell and sight to describe them and taste them.

Learn and sing with your child the new song.
