

‘Marvellous Me/My thoughts & Feelings’ **Activities at Home**

Dear Parents,

**The activity for week: 9 beginning: 2/11/2020
is: ‘We are all unique’**

The activity we will be covering involves:

- **Group discussions**
 - **Studying our features**
 - **Making and creating**
 - **Developing communication & understanding**
 - **Extending vocabulary**
-

Our activity includes:

- **Looking at each other and ourselves and comparing our differences. For example, our skin, eye and hair colour, using mirrors and feedback from each other**
 - **Children will have a question and answer session where they will answer questions such as “what are your hobbies/likes/dislikes?”**
 - **Children will then be given materials to draw a self-portrait. Children will be encouraged to use the correct colours for skin tone, eye & hair colour**
 - **Following that, children will each have time to discuss their features and differences using their artwork**
 - **The portraits and things the children say about themselves will be used as a classroom display.**
-

You might wish to help your child to explore this topic at home or when you are out and about.

Our suggested activities are:

Discussing family traditions and what makes you unique to other members of your family.
