

Keswick House Nursery

Newsletter

Week beginning 24th April 2023

Dear Parents

Welcome back to Nursery and we hope you all had a lovely break. We have enjoyed a wonderful start to the summer term and the children seem happy and settled into their daily routine. The sun has already been shining in our garden making it look even more beautiful.

For many this term it will be their final term at Keswick House before progressing on to their 'big' schools and moving on to new adventures. We would like to congratulate the children who successfully gained places in the Reception year at various schools. We are also excited that many are moving on to The Roche School and we will be truly delighted to watch their continued progress.

The children have been very excited as the new equipment in the garden has now been set up. They have spent a large portion of their days exploring the new outdoor set up and it is wonderful to see the children squealing with excitement and incorporating the new equipment into new play scenarios. We have witnessed some wonderful collaborative play amongst the children during both free-flow and garden time. It is so lovely how well they all get on and play together; true friendships are most definitely in the making.

We have an exciting and busy term ahead of us and the children will have so much to look forward to. Please see attached Diary dates for this term.

We will be starting our new project '**Splish, Splash, Splosh**' this week which is open-ended and will include some interesting activities all based around water with experiments galore to hand. We will be posting up the project activities to Tapestry each week so that you are able to see the varied activities the children are taking part in, along with some ideas on how you can support at home.

We have many upcoming events including our 'Coronation Fun Day'. The children can come to Nursery dressed either as a King or Queen or in red, white and blue. We are asking families to make a crown with their children as we will have a parade. We will introduce the concept of voting to the Upper Nursey children and they will choose a King and Queen for the day. Watch out for guaranteed adorable posts on Tapestry on this day! Please note we will also be making crowns in class for those children who may not be able to make one.

A big plea to you all to ensure that your child has a blue shoe bag fully stocked with spare underwear, socks and clothes. We will be experimenting a lot with water and so a change of clothes is important to include. Each child should also have a bag of baby wipes.

We are looking forward to the term ahead.

Best wishes

Mrs Gabriella and Mrs Lisa
