

Activities at Home

Project: 'Marvellous Me'

Dear Parents,

The activity for week: 6 beginning: My Birthday

Is: 'My Birthday'

The activity we will be covering involves:

- At first we will talk about family celebrations e.g. weddings, anniversaries, birthdays etc and how we celebrate them
- The children will have opportunity to participate in games and art activities related to birthdays

Our activity includes:

- We will start the activity by talking about family celebrations. The parents would be kindly asked (if possible) to email photos of family special occasions e.g. weddings, anniversaries, birthdays etc. We will look at them and talk how we all celebrate family events, what is similar and what is different.
- Later we will read and talk about the story "I want two birthdays" by Tony Ross
- The children will be divided into groups to play various games and participate in activities:
 - 1) Playing pass the parcel game
 - 2) Musical statues

- Children will be invited to decorate cupcakes

You might wish to help your child to explore this topic at home or when you are out and about. Please feel free to approach the teachers for further explanations.

Our suggested activities are:

- Talk with your child about festivals your family celebrate
- Look at family photographs during family celebrations e.g. weddings, christenings, birthdays etc.
- Look at factual books about celebrations around the world

The Big Question: Ask your child.....

What is your favourite thing to do with your family and why?
